

Legal expertise. Human touch.

PARTNER IN TRANSACTIONAL AND CORPORATE LAW

Gascon brings together enthusiastic lawyers, notaries and paralegals who share the same values and take real pleasure in combining their strengths on every mandate. The quality of the mandates entrusted to us is the envy of large Montréal firms.

Our firm is looking for a Transactional and Corporate Partner to expand our management team and provide relevant experience to existing lawyers on staff.

Demonstrating an entrepreneurial spirit, willing to develop and supervise existing professionals, the ideal candidate possesses at least 10-15 years of experience, as well as an established clientele in corporate reorganization, mergers and acquisitions, securities, and commercial law. As part of your duties, you will oversee and manage transactions, the overall management of files and clients in transactional and corporate matters, canvass clients and manage the firm in conjunction with the rest of the management team, in addition to managing the corporate department and contributing to the general direction of the firm with the other partners.

Gascon is a boutique firm with a well-established presence with Quebec business clients for over 45 years and with established partners serving real estate law, litigation, insurance law, corporate law needs, as well as all other related needs encountered by SMEs, real estate developers, investors, managers, financial institutions, insurers, private lenders and business people. Our partners are dynamic professionals who wish to add a partner to contribute to the firm's influence while being active in the management of the organization and consolidating fields of practice in an entrepreneurial spirit to represent an alternative to the large firms.
